

## Join Puptown Dog Owners Group Today!

As an official Dog Friendly Area (DFA), Puptown is a place where dogs can safely play off-leash. The Chicago Park District requires that each DFA be supported by a local advisory council, which is responsible for regular cleaning, maintenance and funding. That's us – the Puptown Dog Owners Group, or "P-DOG."

**P-DOG depends on membership fees and other donations to support the park.** Costs can run from a few hundred dollars for maintenance and cleaning supplies to thousands of dollars for larger jobs like repaving, park expansion, and other improvements. Therefore, we ask that park users make an annual contribution of \$30 per household.

***All membership fees, and other donations, are tax-deductible.\****

In addition, we encourage you to lend your support by volunteering your time and talent. We need help with event planning, fundraising, membership drives, and always with cleaning. And we welcome everyone's input at quarterly meetings. Please e-mail [info@puptown.org](mailto:info@puptown.org) to help.

Please join us! P-DOG — and all the doggies of Puptown — need you today!

Complete the form below and mail it with your check made payable to Puptown.

*Parkways Foundation acts as the fiscal agent of Puptown. As the philanthropic partner of the Chicago Park District, Parkways is a 501(c)(3) nonprofit organization. All donations and membership fees to Puptown are tax-deductible to the fullest extent of the law. For more on Parkways Foundation, see [www.parkways.org](http://www.parkways.org).*
